G E N E S I S

Association of Ayurveda Academy

AAA was established in the year 2020

and Co-founded by Dr. Venkat Joshi

and Dr. Suresh Swarnapuri.

I N T R O D U C T I O N :

The concrete basic principles of Ayurveda runs its root deep to the cores of Indian philosophies- Nyaya, Vaisesika & Samkhya. These principles highlight a noble concept man is the microcosm of the macrocosm. When sun and moon controls the activities of the universe, agni and jala principles controls the physiological activities of the body.

AAA in London is committed to spread the knowledge of Ayurveda- Ancient Vedic sciences to inspire the younger generation especially in western countries and to keep up the great heritage of Indian traditional health system and to offer benefits of Ayurvedic Education to UK and rest of Europe.

GOALS OF COURSE

To train specialized skills in Adaption of Ayurveda in western countries especially in UK and Europe to Ayurvedic Physicians who will be capable to deliver best health services in Ayurveda and treat efficiently patients with various health disorders in India & abroad.

AIMS:

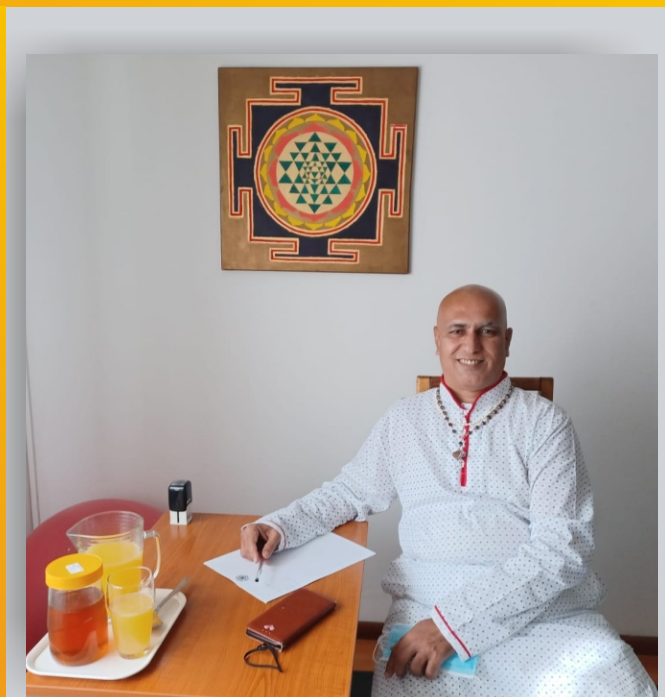

To develop skills amongst Ayurveda medical practitioners for exploring the potential of Ayurveda in understanding western health and medical conditions of patients and also to develop skills & for conducting scientific research in Ayurveda

OBJECTIVES:

The course is designed with the following objectives. The student is expected to get trained in these domains by the time they completes the course.

- Knowledge of Western geography and Living conditions
